

The 9th International Conference on Scour and Erosion
November 5-8, 2018
Taipei, Taiwan

POSTPONEMENT OF ABSTRACTS SUBMISSION

Dear Friends & Colleagues,

Warm greetings from ISCE 2018 Program & Abstract Office!!!

Due to enormous submission request, the program committee is now decided to postpone the abstract submission deadline!

The online abstract submission system would remain opened for the interested participants till **December 31, 2017**; kindly take this opportunity to complete your submission before the above mentioned deadline to be part of this exciting and informative conference.

Please [click](#) here to get your last chance to submit your abstracts now!

IMPORTANT DATE

Deadline for Abstract Submission: DECEMBER 31, 2017

SUBMISSION-CONFERENCE TOPICS

- ◆ Internal erosion
- ◆ River, coastal, estuarine and marine scour and erosion

- ◆ Rock scour and erosion
- ◆ Sediment transport: grain scale and continuum scale
